Track Record

The manufacture of Patek Philippe, founded in **1839**, is the last family-owned watchmaker in Geneva. It is one of the most popular watch brands in the world. Due to their limited production, Patek Philippe watches have also been popular among investors for decades.

The **Patek Philippe index** has achieved an **average annual increase in value** of **26.7%** over the last 5 years.

Investment Horizon of 5 to 7 years

Forecast per Splint in €	5 years	6 years	7 years
Ambitious	108	128	151
Balanced	95	109	126
Defensiv	55	56	57

- Investment horizon has been set to 5 to 7 years.
- Due to the high-quality standards, the supply will remain limited and will not be able to meet the unrelenting demand. The Patek Philippe Nautilus 3800/1A-001 was produced from 1981 to 2006, and the reference was discontinued in 2006. Therefore, the reference is no longer produced by Patek Philippe. However, due to its popularity, the watch continues to be highly sought after in the pre-owned and vintage watch market, making it a perfect medium to long-term investment.
- If one of the following two conditions is met, the sale of the asset is considered:
 - End of the defined investment horizon has been reached.
 - Ambitious case already occurs before the end investment horizon.
