Rating

Return

Given the unwavering fascination with the revolutionary design among watch enthusiasts and the limited supply, we see significant upside potential for this watch. Over the past **2.5 years**, the **Odyseus models** have averaged an annual value increase of **21.2 %**.

A. Lange & Söhne enjoys a high global reputation and a large collector community.

Stability

On the secondary market, the reference 363.179 sells within **63 days** on average. The high liquidity underlines the demand and has a positive effect on price stability.

Over the past twelve months, the A. Lange & Söhne Odyseus Ref. 363.179 has shown a low price **volatility** of **7.6 %**.

Track Record

The company has a long history dating back to **1845**, and it has consistently produced some of the finest timepieces in the world.

A. Lange & Söhne's production volume ranges between **5,000 and 6,000** watches per year, which is significantly lower than that of Patek Philippe.

Investment Horizon of 5 to 7 years

Forecast per Splint in €	5 years	6 years	7 years
Ambitious	100	116	135
Balanced	75	82	90
Defensiv	55	56	57

- Investment horizon has been set to 5 to 7 years.
- The already very limited production volume coupled with the steadily increasing demand will accelerate the price increase in near future. For this reason, a medium-term investment horizon is envisaged for this Odysseus.
- If one of the following two conditions is met, the sale of the asset is considered:
 - End of the defined investment horizon has been reached.
 - Ambitious case already occurs before the end investment horizon.

Your Return Potential

	Value in € defensive	Value in € balanced	Value in € ambitious
