9/10

Return

The average annual price increase of Laugh Now is +33.7% from 2017 to 2024.

When it comes to investment opportunities, art has consistently shown better performance compared to other asset classes like the S&P 500 and the FTSE 100 throughout the last twenty years.

7/10

Stability

Banksy originals can sell for millions of pounds at auction, with the highest auction price being £18.6 million for "Love Is In The Bin". The Banksy market has performed exceptionally well over the past 15 years.

The favorable liquidity of artworks is particularly highlighted, especially for assets with a consistent value and showing little correlation with the stock market.

7/10

Track Record

A key theme recurrent throughout the artist's body of work, the despondent, stenciled monkey depicted in Laugh Now (2003) has become emblematic of Banksy.

Balanced	64	75	88
Defensive	52	53	54

The investment horizon has been set to 2 to 4 years.

- The ease with which his prints can be sold is leading Banksy's market, one of the world's leading contemporary artists, to mature towards a trend of medium to long-term investment.
- If one of the following two conditions is met, the sale of the asset is considered:
 - End of the defined investment horizon has been reached.
 - Ambitious case already occurs before the end investment horizon.
