

Kobe Bryant 2007 Chronology Stitches in Time Auto Patch

This card is one of the most iconic Kobe auto patch cards from the Upper Deck era, featuring top-tier attributes. Its serial number, 24, matches both Kobe's jersey number and the unique 24-shaped patch window, making it the only card with this design. Additionally, it was released during his MVP season, further enhancing its significance.

3 Reasons to Invest

1. **Return Potential** 📈: An investment of 500 EUR is projected to be worth approximately 1,482 EUR in 5 years.
2. **Cost-to-Return Ratio** ⚖️: After deducting 3.3% in annual total costs (including exit fees), your net return could reach 24.3% per year.
3. **Patch and ink top notch** 🎨: The patch and autograph quality on this Kobe Bryant card are exceptional. The patch is perfectly aligned with the 24-shape, enhancing the card's 3D effect with vibrant colors. The autograph, in fresh blue ink rated 10, is rare to

find, as many other of the 35 copies have not been as well preserved over the past 16 years. This adds significant value to the card.

Investment Case

Valuation Summary 📝 To ensure the competitiveness of the investment, we conducted a thorough verification of the purchase price by analyzing recent transactions and current market values on the secondary sport card market. Our analysis confirmed that the price offered, inclusive of all associated fees, is still highly competitive. To estimate the potential ROI, we used the historical performance data of the CardLadder Kobe Bryant card index. For our conservative scenario, we assumed the value of the card would grow at the rate of Swiss inflation, reflecting a defensive approach. In the balanced scenario, we calculated the average annual growth rate of the CardLadder Kobe Bryant card index over the past ten years. Finally, in the ambitious scenario, we applied the historical average annual growth rate of the CardLadder Kobe Bryant card index over the past 6 years, reflecting an optimistic outlook.

Exit Options at Maturity 📅 We will manage the exit strategy on behalf of our investors, ensuring the best possible outcome based on market conditions at the time. Depending on the value of the card and the prevailing market situation, we can either sell the card privately to a collector or take it to auction. Both options are carefully considered, and we will choose the one that maximizes the return for our investors.

Why Invest in This Category? 🏀 Sports cards are an asset class that has enjoyed one of the highest multipliers in growth over the last 5 to 15 years among alternative investment vehicles. Sports cards have strong fundamentals in bringing high-valued licenses, age-tested brands, universal passion for sports, and transcendent talents together in innovative concepts.

Why Invest in This Asset? 💎 This Kobe Bryant auto patch card is historically significant, being one of the first to introduce multiple parallels with different print runs, a practice now common in the hobby. The card's base parallel is highly desirable, featuring a serial number matching Kobe's jersey (24), which is further emphasized by the patch window's number shape, adding prestige and lineage. The card's high-quality patch and fresh blue autograph ink are rare finds, especially considering its age. With only 81 total copies across

all parallels, reflecting Kobe's 81-point game, and released during his MVP season, this card offers unique investment potential.

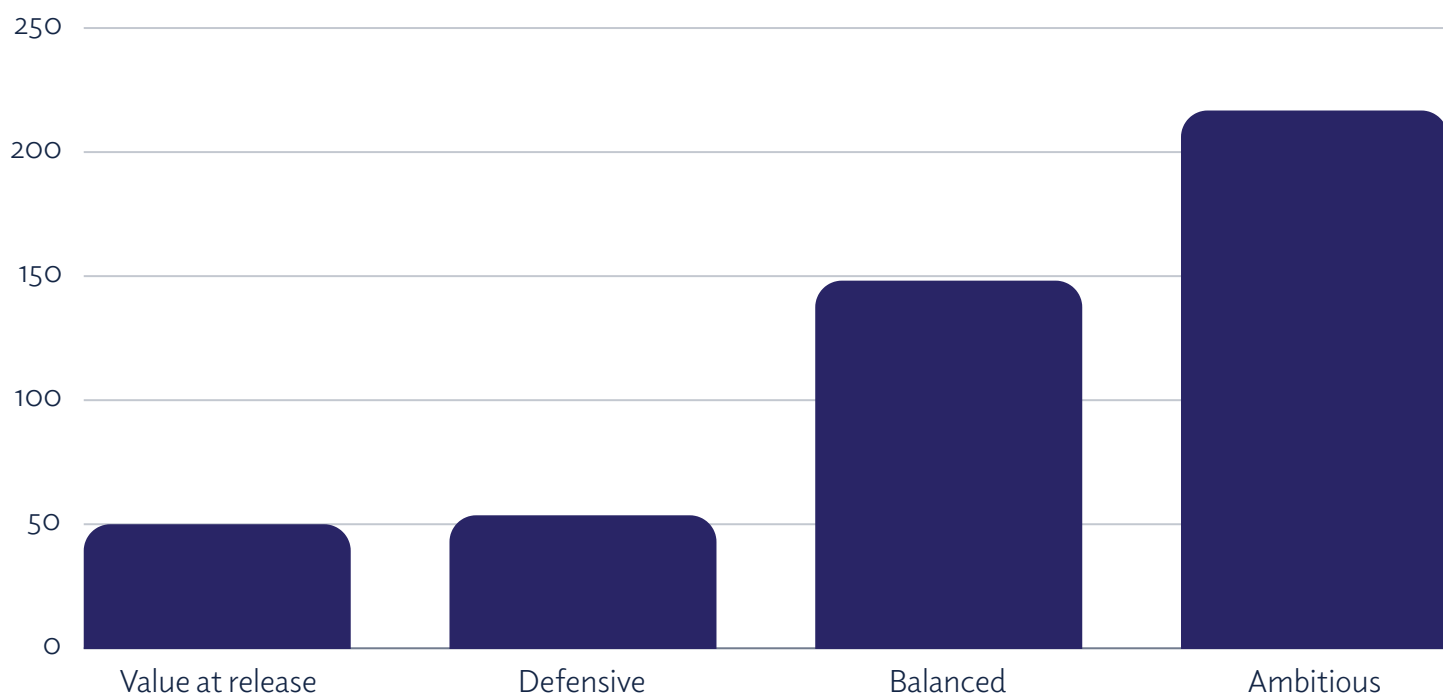

Context in Time ⌚ Released during Kobe Bryant's MVP season in 2007-08, this card marks a pivotal moment in sports and collecting history. That year, Kobe led the Lakers to the Finals and helped Team USA secure Olympic gold, cementing his legacy as one of the greatest players. In the card-collecting world, this period also introduced innovative features like multiple parallels for auto patch designs and unique patch window shapes, setting the foundation for modern card configurations. This combination of on-court excellence and card innovation makes this Kobe card a highly sought-after piece for collectors and investors alike.

Conclusion 🎯 This Kobe Bryant auto patch card represents a unique and valuable investment, combining historical significance, exceptional design, and cultural relevance. The high-quality patch and autograph, along with its release during Kobe's MVP season, further solidify its long-term investment potential. With strong market demand for top-tier Kobe memorabilia and its position as one of the best cards within the set, this card is poised to offer substantial appreciation and is a standout asset in any high-end sports card collection.

Projection

The sport card offers high return potential. The expected annual return ranges between 1.4% and 34.1%, depending on market conditions.
