

Shohei Ohtani 2016 Epoch HNF Season Achievements Letter Patch I 6/6 PSA 9

Ohtani is an international sensation and Japan's national pride. A key card during his Japanese playing days prior to MLB career is a very important asset with huge upside to his passionate fans and collectors worldwide.

3 Reasons to Invest

- 1. Return Potential** 📈: An investment of 500 EUR is projected to be worth approximately 1,557 EUR in 5 years.
- 2. Cost-to-Return Ratio** ⚖️: After deducting 3.4% in annual total costs (including exit fees), your net return could reach 25.5% per year.
- 3. New All Time Record in September 2024** ⚾️: Shohei Ohtani is often compared to Babe Ruth for his exceptional dual talent in both pitching and batting at the highest level. He is now widely regarded as surpassing Ruth after becoming the first player to create the 50-50 club, hitting 50 home runs and stealing 50 bases in a single season—

a feat accomplished in what many pundits consider one of the greatest games in baseball history.

Investment Case

Valuation Summary 📝 To ensure the competitiveness of the investment, we conducted a thorough verification of the purchase price by analyzing recent transactions and current market values on the secondary sport card market. Our analysis confirmed that the price offered, inclusive of all associated fees, is still highly competitive. To estimate the potential ROI, we used the historical performance data of the CardLadder Shohei Ohtani card index. For our conservative scenario, we assumed the value of the card would grow at the rate of Swiss inflation, reflecting a defensive approach. In the balanced scenario, we calculated the average annual growth rate of the CardLadder Shohei Ohtani card index over past three years. Finally, in the ambitious scenario, we applied the historical average annual growth rate of the CardLadder Shohei Ohtani card index over the past 6 years, reflecting an optimistic outlook.

Exit Options at Maturity 📅 We will manage the exit strategy on behalf of our investors, ensuring the best possible outcome based on market conditions at the time. Depending on the value of the card and the prevailing market situation, we can either sell the card privately to a collector or take it to auction. Both options are carefully considered, and we will choose the one that maximizes the return for our investors.

Why Invest in This Category? 🕒 Sports cards are an asset class that has enjoyed one of highest multipliers in growth over last 5 to 15 year span among alternative investment vehicles. Sports cards have strong fundamentals in bringing high valued licenses, age-tested brands, universal passion of sports, and transcendent talents together in innovative concepts.

Why Invest in This Asset? 🏆 Shohei Ohtani, often compared to Babe Ruth, has now surpassed him with his unprecedented dual talent in pitching and batting. Recently, Ohtani became the first player to join the exclusive 50-50 club (50 home runs and 50 stolen bases in a season). This remarkable achievement, combined with his record-breaking game where he tallied 10 RBIs, 6 hits, and 3 home runs, cements his legacy in baseball history. This card is a rare piece from Epoch's 2016 release, representing his time in

Japan's Nippon Professional Baseball league before his MLB career. It features a full-body action shot of Ohtani, with a matching uniform patch taking up 50% of the card. Each letter of his nameplate is a 1/1, with this specific card being the "I" from "Ohtani"—the only letter present in all "Shohei," "Ohtani," "Fighters," and "Nippons." With a PSA 9 grade, this card marks a key moment in Ohtani's pre-MLB success, appealing to collectors as his fame continues to rise globally.

Context in Time ⌚ Shohei Ohtani's rise in Major League Baseball (MLB) coincides with a pivotal moment in global sports history, where international talent and cross-cultural appreciation are at an all-time high. His 2016 achievements in Japan's Nippon Professional Baseball (NPB)—becoming league champion and MVP—set the stage for his groundbreaking MLB career. In an era of digital collectibles and rising interest in alternative investments, Ohtani's memorabilia, especially from his early Japanese years, holds historical and cultural significance. This card represents a snapshot of Ohtani's transition from Japan's national pride to becoming a global baseball icon, increasing its long-term value and relevance.

Conclusion 🎯 In conclusion, the investment offers a rare opportunity to own a highly valuable Shohei Ohtani card with strong historical and cultural significance. Supported by competitive pricing, diverse exit options, and the growth potential of the sports card market, this asset presents an appealing mid-term investment with promising returns.

Projection

The sport card offers high return potential. The expected annual return ranges between 1.4% and 52.9%, depending on market conditions.
