Investment Case

Valuation Summary 📝 To ensure the competitiveness of the investment, we conducted a thorough verification of the purchase price by analyzing recent transactions and current market values on the secondary sport card market. Our analysis confirmed that the price offered, inclusive of all associated fees, is still highly competitive. To estimate the potential ROI, we used the historical performance data of the CardLadder Shohei Ohtani card index. For our conservative scenario, we assumed the value of the card would grow at the rate of Swiss inflation, reflecting a defensive approach. In the balanced scenario, we calculated the average annual growth rate of the CardLadder Shohei Ohtani card index over past three years. Finally, in the ambitious scenario, we applied the historical average annual growth rate of the CardLadder Shohei Ohtani card index over the past 6 years, reflecting an optimistic outlook.

Exit Options at Maturity 📅 We will manage the exit strategy on behalf of our investors, ensuring the best possible outcome based on market conditions at the time. Depending on the value of the card and the prevailing market situation, we can either sell the card privately to a collector or take it to auction. Both options are carefully considered, and we will choose the one that maximizes the return for our investors.

Why Invest in This Category? 🕒 Sports cards are an asset class that has enjoyed one of the highest multipliers in growth over the last 5 to 15-year span among alternative investment vehicles. Sports cards have strong fundamentals in bringing high valued licenses, age-tested brands, universal passion for sports, and transcendent talents together in innovative concepts.

Why Invest in This Asset? 🏆 Investing in the Shohei Ohtani 2020 Prizm Auto Tag 1-of-1 sports card represents a rare opportunity to own a piece of sports history tied to one of baseball's most influential players. Shohei Ohtani is renowned for his unique dual abilities in pitching and batting, a feat unparalleled since Babe Ruth, which has elevated him to superstar status in both Japan and the United States. His international appeal is evident in recent record-breaking sales, such as his 50th home run ball that sold for \$4.39 million, highlighting a dedicated global fan base.

The card itself is exceptionally rare—a one-of-a-kind, meaning it is the only copy ever made, ensuring its exclusivity. Produced by Panini's highly respected Prizm brand, this card

uniquely combines a 6-color tag patch with Ohtani's autograph, a prestigious configuration that collectors highly value. As the only Prizm card featuring an Ohtani "Auto Tag" 1-of-1, this item merges two coveted elements: Prizm's signature "shiny" refractor effect, known for its popularity and high resale values, and the rarity of the "Auto Tag" patch configuration, which fans and investors view as especially desirable.

As Ohtani continues to make headlines with record achievements, this card is positioned as both a sentimental collector's item and a potentially profitable investment. The combination of player prestige, brand reputation, and card rarity makes this piece a standout asset in the alternative investment space, offering an exciting opportunity for both sports fans and investors seeking a high-value collectible.

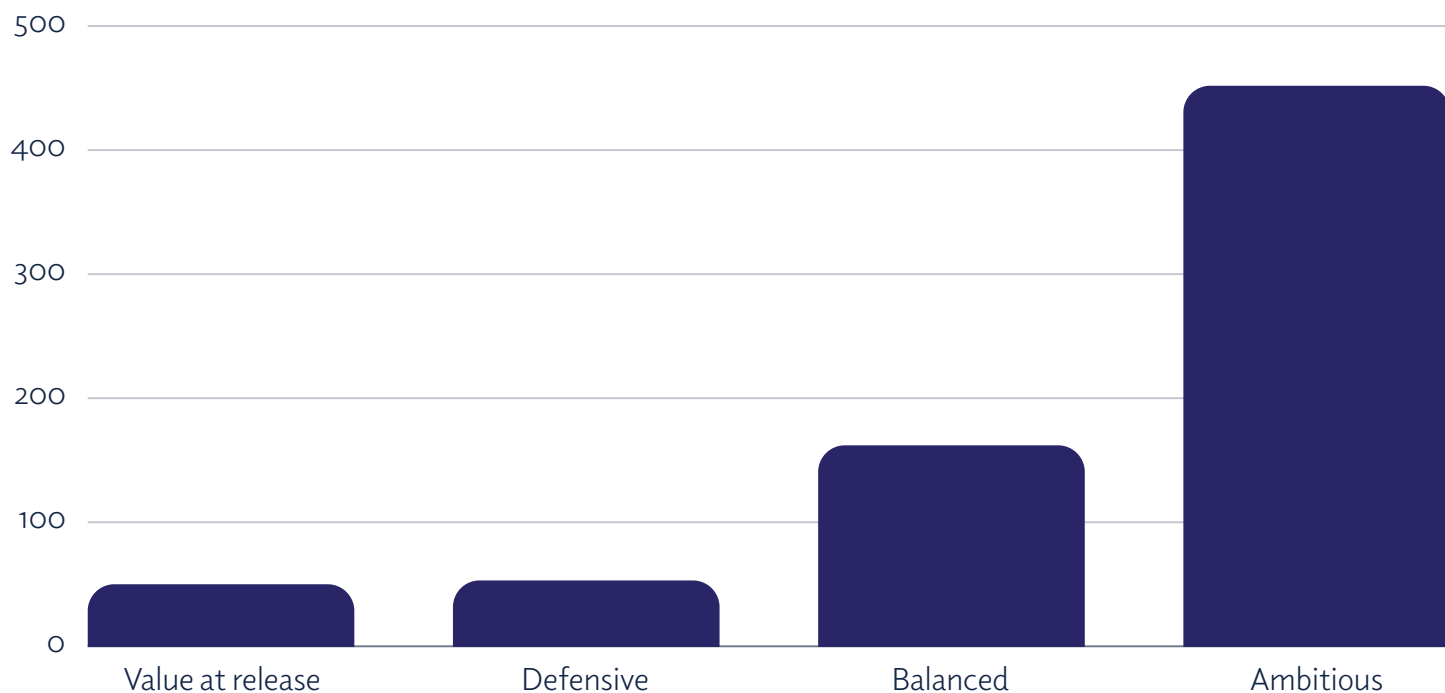

Context in Time 🕒 In 2024, Shohei Ohtani stands as a transformative figure in baseball, captivating audiences worldwide with his exceptional dual skills as both a pitcher and hitter—something rarely seen in the sport's history. His recent season included the creation of the unprecedented "50-50 Club" (50 home runs and 50 stolen bases), alongside a record-breaking \$700 million contract with the Los Angeles Dodgers, marking him as the highest-paid athlete in sports. His transition to the Dodgers and their subsequent push into the World Series has drawn global attention, especially in Japan, where viewership of his games has reached record numbers. This surge in popularity and Ohtani's historic accomplishments have significantly boosted demand for his memorabilia, with fans and collectors across continents vying for unique items tied to his career.

Conclusion 🎯 The Shohei Ohtani 2020 Prizm Auto Tag 1-of-1 card is a highly exclusive, culturally significant asset with strong growth potential. Thoroughly priced and analyzed against recent market data, this investment offers promising returns across conservative, balanced, and ambitious scenarios. Managed exit options further support the card's unique value, ensuring investors benefit from its rarity and Ohtani's growing legacy in both the U.S. and international sports markets.

Projection

The sport card offers high return potential. The expected annual return ranges between 1.2% and 55.3%, depending on market conditions.

Here's the projected value of a Splint at maturity:
