Splint Invest

George Morton-Clark, Portfolio of three Works, 2024

George Morton-Clark's expressive style, influenced by George Condo, Andy Warhol, and Roy Lichtenstein, is particularly well showcased in this portfolio. With a 10% discount on the current gallery price, this collection offers an exceptional opportunity for collectors seeking both artistic brilliance and investment value.

3 Reasons to Invest

1. **Return Potential**📈: An investment of 500 EUR could reach an estimated value of 1,179 EUR in 4 years.
2. **Cost-to-Return Ratio**⚖️: After deducting 2.9% in annual total costs (including exit fees), your net return could reach 23.9% per year.
3. **Capturing Emotion** 🌟: George Morton-Clark’s art transcends the canvas, evoking deep nostalgia and curiosity. His vibrant, expressive works connect us to universal emotions while offering a unique, personal experience. Owning his art is not just an investment in creativity—it’s a celebration of the joy, energy, and beauty that contemporary art can bring to life.

Platform fee in EUR	5,300
Transportation, storage and insurance in EUR	500
Number of Splints	1,870

Investment Case

Summary of the Evaluation 📝 To ensure the competitiveness of this investment, we thoroughly reviewed the purchase price by analyzing recent gallery transactions. Our analysis confirmed that the offered price, including all associated fees, is highly competitive. To estimate the potential return, we examined the annualized return of George Morton-Clark's paintings over the past four years.

Potential Return Scenarios 📈

- Conservative Scenario: Assumes the painting grows at the Swiss inflation rate, reflecting a defensive approach.
- Balanced Scenario: Assumes a 75% probability of an annual return of 31% (CAGR over the last 3 years) for the next 4 years.
- Ambitious Scenario: Assumes a 100% probability of an annual return of 31% (CAGR over the last 4 years) for the next 4 years.

These potential returns are further boosted by the 10% discount at which the works are offered compared to the current gallery price.

Exit Options at Maturity 🚪 We will closely collaborate with our expert OPERA GALLERY to manage the exit strategy and achieve the best outcome based on market conditions. Depending on the market, the painting will either be sold to a private collector or auctioned.

Why Invest in This Category? 🎨 For centuries, art has been collected for its cultural, emotional, intellectual, political, and economic value. Investing in an artist in the middle of their career offers a mix of financial potential and personal satisfaction.

Why Invest in This Asset? 💎 George Morton-Clark's works offer a unique opportunity due to his dynamic, evolving style. The current offer is 35.4% below the average auction price in 2024, presenting strong growth potential.

- Record Sales: Similar works sold for over €63,800 in 2024, a 125% increase since 2021.
