Investment Case

Valuation Summary  To ensure the competitiveness of the investment, we conducted a thorough verification of the purchase price by analyzing recent transactions and current market values on the secondary sneaker market. Our analysis confirmed that the price offered, inclusive of all associated fees, is highly competitive. We used the historical performance data of this model. For our conservative scenario, we assumed the value of the bags would grow at the rate of Swiss inflation, reflecting a defensive approach. In the balanced scenario, we calculated 40% of the average growth rate of the model since release in January 2025. Finally, in the ambitious scenario, we calculated 50% of the average growth rate of the model since release in January 2025.

Exit Options at Maturity  We will manage the exit strategy on behalf of our investors, ensuring the best possible outcome based on market conditions at the time. Depending on the value of the models and the prevailing market situation, we can either sell the sneakers privately to a collector or take it to auction. Both options are carefully considered, and we will choose the one that maximizes the return for our investors.

Why Invest in This Category?  Investing in limited-edition travel luggage from RIMOWA's collaborations offers unique potential for appreciation. These pieces combine the craftsmanship of RIMOWA, a leader in luxury luggage, with the distinct design aesthetics of globally renowned brands. Their exclusivity and limited production ensure high demand among collectors. The instant sell-out of these collections reflects the desirability and rarity, driving their market value upward. As long as the brands maintain their iconic status, these collaborations will likely continue appreciating, offering not just functional use, but also substantial investment potential for those seeking rare, high-demand collectibles.

Why Invest in This Asset?  Luxury collaborations have proven to be one of the fastest-growing investment segments, and RIMOWA's partnership with Rick Owens is no exception. This limited-edition release of just 500 pieces worldwide makes it an ultra-rare collectible in the high-fashion and luxury luggage markets.

Historical Price Trends & Performance 📈 Past RIMOWA collaborations have consistently shown strong secondary market performance:

- RIMOWA x Tiffany – Originally priced at €3,900, now trading up to €12,000.
- RIMOWA x Dior – Released at €3,500, now selling for €8,000+.
- RIMOWA x Aimé Leon Dore – Valued at €1,500 retail, now reselling for €7,000 per suitcase.

With Rick Owens' cult following and the scarcity of this release, this model is positioned for similar resale growth.

This isn't just a piece of luggage—it's wearable art. The brushed aluminum shell, handmade leather grips, and signature Owens' bandage straps transform this into a fashion statement. Collectors value brand collaborations that push boundaries, and this release epitomizes the intersection of design, craftsmanship, and exclusivity.

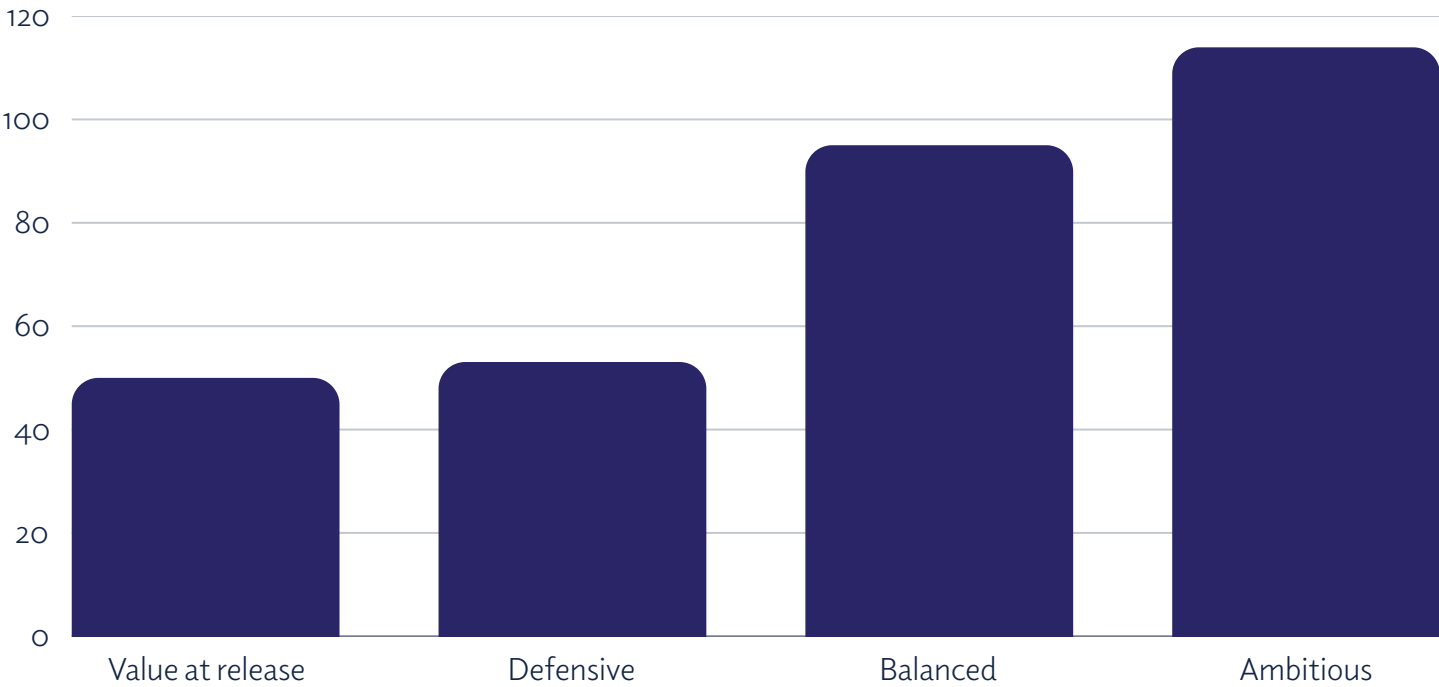

Context in Time ⌚ In an era where fashion collectibles rival traditional assets, high-end designer luggage has become a blue-chip investment. The Rick Owens x RIMOWA collaboration comes at a time when streetwear, art, and luxury goods intersect, making this not just a travel essential, but a status symbol. As previous RIMOWA collaborations have skyrocketed in value, this model is poised to follow the same trajectory.

Conclusion 🎯 The RIMOWA x Rick Owens Cabin Bag is a rare fusion of luxury, craftsmanship, and high-fashion design, offering strong investment potential. With only 500 pieces worldwide, proven historical appreciation of past collaborations, and a booming market for collectible luggage, this asset presents a unique opportunity for long-term value growth. 🚀

Projection

The suitcases offer high return potential. The expected annual return ranges between 1.2% and 23.3%, depending on market conditions.

Here’s the projected value of a Splint at maturity:
