Rating

Return

The Macallan Index has shown an **annualized performance of 17 %** since its launch. Our 57-year-old whisky bottle from the Macallan Six Pillars Lalique collection **exceeds** this mark by over **5% per year**.

A **complete Six Pillars collection** was sold by Sotheby's in **2017** for the equivalent of **just under USD 1 million (excluding fees)**.

Stability

While the **SMI** declined by **-12 %** from January 2022 to the end of December 2022, the **Rare Whisky 101 Macallan bottle index increased by 17 %**.

This timeless collection can also be subject to fluctuations in value. As the bottles **are extremely limited (400 bottles)**, negative value fluctuations tend to be temporary.

Track Record

The Macallan distillery was founded in **1824** and can thus look back on almost **200 years** of history.

The Six Pillars Collection comprises **six individual bottles**, ranging in age from **50 to 65 years**. Each bottle reflects a **core value of The Macallan**. The bottles are particularly popular among collectors.

Investment Horizon of 5 to 7 Years

Forecast per Splint in €	5 years	6 years	7 years
Ambitious	156	201	259
Balanced	97	113	132
Defensiv	55	56	57

- Investment horizon has been set to 5 to 7 years.
- This is arguably the most sought-after whisky collection. The bottles contain whisky from 50 to 65 years old, reflect The Macallan's six core values, and are limited in number (from 400 to 470 bottles). At the same time, several bottles contain cask-strength whisky, which is considered a rarity at The Macallan. Such collections are sought-after collector's items, making this a perfect medium to long-term investment.
- If one of the following two conditions is met, the sale of the asset is considered:
 - End of the defined investment horizon has been reached.
 - Ambitious case already occurs before the end investment horizon.
